EDUCATION

Washington State University, Pullman, WA

August 2014 – May 2019

- Major: Philosophy
 - Minors: Communication, Information Systems, Music – Jazz Studies
- GPA: 3.79 (graduated Magna Cum Laude)
 - President's Honor Roll: All semesters Fall 2014 - Spring 2019
 - Invited to and attended WSU Freshman Scholars Progression for freshmen earning a 3.5 GPA or higher in their first college semester, Fall 2014

WORK EXPERIENCE

Evia Events (formerly Tri-Digital, Inc.), Seattle, WA

Event Support Specialist

Summer 2015 and 2016, July 2019-Present

- Set up, strike, run, and monitor A/V capture equipment (computers, monitors, audio mixers, network components, hard drives) to ensure proper encoding and live streaming of sessions at various trade shows/conferences (for Microsoft, Amazon, and Tableau in Seattle/Bellevue, Las Vegas, and Orlando), enabling events to reach a global online audience
 - Manage OBS streams and escalate issues to supervisors and/or venue leads
- Set up, administer and ensure capture/recording of Microsoft's Skype for Business conferences

KJEM 89.9 FM (part of Northwest Public Broadcasting), Pullman, WA

Operations/Production Manager

January 2018-July 2019

- Created new ideas for programming and community engagement events
- Spearheaded audio/video setup for and helped organize a community jazz concert
- Traveled to jazz performances in the Pullman/Moscow area and beyond to interview jazz artists and record audio and video of performances, including Snarky Puppy and Banda Magda
- Edited and produced video content for YouTube and social media using Adobe Premiere
- Downloaded applicable show segments, edited as necessary in Adobe Audition, and ingested into NexGen to ensure on-time airing
- Remotely managed station computers when necessary to ensure timely airing of seven weekly programs
- Hosted original weekly hour-long jazz radio shows and created station IDs
- Liaised between KJEM and the Washington State University School of Music to promote and collaborate with WSU jazz musicians, students and faculty
- Researched and identified cameras, memory cards, tripods, and audio recording equipment for the station to purchase

Alaska Airlines, SeaTac, WA

Airport Operations IT Intern

May 2017-August 2017

- Researched and tested equipment for a new electronic baggage-tracking/scanning system
- Gained a comprehensive understanding of agile and Kanban software development methodologies and the importance of information technology to the smooth operation of a major airline
- Shadowed and learned responsibilities of employees in revenue management, E-commerce, and flight operations
- Participated in daily and weekly team meetings

VOLUNTEER EXPERIENCE

WSU School of Music

Videographer/Video Producer

September 2017-May 2019

- Created promotional videos for various WSU School of Music departments, including the opera program (<https://www.youtube.com/watch?v=izFbTdADqr8>)
- Filmed and edited performance videos for School of Music faculty and students

KUGR Cougar College Radio

DJ/Radio Host

September 2016-May 2017

- Co-hosted a weekly two-hour progressive rock radio show
- Operated broadcast equipment including laptop computers, digital audio workstations, mixers, and microphones

LEADERSHIP/ORGANIZATIONS

Washington State University, Pullman, WA

Floor Representative

January-May 2015

- Participated in weekly meetings for Stephenson North's Hall Government
- Proposed various event ideas, including a talent show, SNL ("Stephenson Night Live")

HONORS/AWARDS

- Helped a friend, a Music Composition major, earn a Crimson Award (top award) in WSU's Showcase for Undergraduate Research and Creative Activity (SURCA) in April 2017 by filming and editing a video for his original percussion composition
